

**UNITED FOR PEACE CELEBRITY
CHARITY SOCCER GAME**
International Indian Film Festival Toronto

September 11, 2017

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone attending the United for Peace Celebrity Charity Soccer Game.

Today's message of peace and harmony is all the more relevant as countries around the world struggle with racial, ideological and economic divisions. Canada's 150th anniversary is an opportunity to pay tribute to the incredible province we live in.

I thank the volunteers, staff and board of the International Indian Film Festival Toronto for bringing the community together for this worthwhile cause.

This year, as we mark the 150th anniversary of Canada and Ontario, we have an ideal opportunity to reflect on how much we've achieved by coming together, working together, and learning from one another. By holding fast to the principles of openness, mutual understanding and respect, we will continue to make Canada — and Ontario — a place where everyone belongs.

I offer my best wishes for a memorable event!
